

Dear Colleagues,

Call for Awards Nominations

The NH Pharmacists Association (NHPA), the NH Society of Health-System Pharmacists (NHSHP), and the NH Independent Pharmacists Association (NHiPA) are calling for nominations for the following awards.

New Hampshire Lifetime Achievement Award

The Lifetime Achievement Award is presented in recognition of exceptional commitment, loyalty and dedication to the practice of pharmacy in the State of New Hampshire. Recipients of this award have distinguished themselves through a lifetime of exemplary service to the profession of pharmacy. The recipient must have demonstrated a career-long performance record of substantive, measurable impact and/or benefit to his/her practice setting and/or the practice of pharmacy in the state of New Hampshire.

New Hampshire Pharmacist of the Year

Presented to a pharmacist licensed and practicing in New Hampshire who demonstrates professional excellence, good citizenship and dedication to the profession. The recipient must have demonstrated service to his/her practice setting either through sustained exemplary service, or a single outstanding achievement that has impacted pharmacy practice or individual patient care.

New Hampshire Pharmacy Technician of the Year

Presented annually to a pharmacy technician licensed and practicing in New Hampshire who demonstrates excellence in his/her practice setting, is motivated to learn, exhibits a professional attitude and is dedicated to the profession of pharmacy. The recipient must have made significant contributions to pharmacy technician practice, professional organizations, and/or the community.

Distinguished Young Pharmacist

Presented to a pharmacist licensed in New Hampshire who has practiced ten years or less (2008 graduation date or later), practices in a community, institutional, or consulting pharmacy and who has actively participated in national pharmacy associations, professional programs, state association activities and/or community service.

Bowl of Hygeia

Presented to a pharmacist who has compiled an outstanding record of community service that, apart from his/her specific identification as a pharmacist reflects well on the profession. The recipient must be a pharmacist licensed in New Hampshire, must be living and must not have been a previous recipient of this award.

Excellence in Innovation Award

Presented to a pharmacist practicing in New Hampshire who has demonstrated innovation in his/her respective practice, method or service directly or indirectly resulting in improved patient care and/or advancement of the profession of pharmacy.

Cardinal Health Generation Rx Champions Award

The Cardinal Health Generation Rx Champions Award program recognizes excellence in community-based prescription drug abuse prevention at state pharmacy associations. This award honors a pharmacist who has demonstrated outstanding commitment to raising awareness of the dangers of prescription drug abuse among the general public and among the pharmacy community. The award is also intended to encourage educational prevention efforts aimed at patients, youth, and other members of the community. In addition to the award, to honor the pharmacist's work to fight prescription drug abuse, the Alliance for Patient Medication Safety, state pharmacy associations and the Cardinal Health Foundation will donate \$500 to a charity of the award recipient's choice.

Nominations must be received by August 15, 2018.

Please send the name(s) and contact information for nominee(s) to:
